Re: Chemetco Superfund Site

Dear Ms. Kerr and Ms. Herring:

This is to follow-up on my March 21, 2012 correspondence advising that Alpha Omega Recycling, Inc. ("AORI") has sent a total of only one shipment of product to Chemetco (high-grade copper; non-waste/non-RCRA), and therefore requests a *de minimus* settlement of this matter.

Please give me a call at 469.522.1111 to discuss. Thank you for your cooperation.

Sincerely,

Heather Frost, PhD
